Gentlemen:

Based on information supplied, we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code as it is shown that you are organized and will be operated exclusively for educational purposes.

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization described in section 170(b)(1)(A)(iv).

This determination assumes your operations will be as stated in your exemption application. Any changes in operations from those described, or in your character or purposes, must be reported immediately to our office for consideration of their effect upon your exempt status. You must also report any change in your name or address.

For years beginning prior to January 1, 1970, you are required to file an information return, Form 990-A. For years beginning on and after January 1, 1970, you may be required to file an information return, Form 990. Please refer to the instructions accompanying the Form 990 for that particular year to determine whether you are required to file. If filing is required, you must file the Form 990 by the 15th day of the fifth month after the close of your annual accounting period, December 31. Failure to file the Form 990 by this date may subject you to a penalty of \$10.00 for each day during which such failure continues, up to a maximum of \$5,000.00.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter we are not determining whether any of your present or proposed activities is unrelated trade or business as defined in section 513 of the Code.

You are not liable for Federal unemployment taxes. You are liable for social security taxes only if you have filed waiver of exemption certificates as provided in the Federal Insurance Contributions Act.

Contributions made to you are deductible by donors as provided in section 170 of the Code. Bequests, legacies, devises, transfers or gifts to or for your use are deductible for Federal estate and gift tax purposes as provided under sections 2055, 2106, and 2522 of the Code.

This is a determination letter.

Very truly yours,

Paul A. Schuster
District Director
