

## **A Note from the Chairwoman**

### ***Dearborn County IUAA Scholarship Fund***

November 1, 2007

Dear Alumni,

This year is the 31st anniversary of the Dearborn County IU Alumni Association Scholarship Fund. It is a great achievement to know that the alumni in our area have helped several Dearborn County students go to Indiana University. This year one \$500 scholarship will go to a high-school graduate. Obviously, we cannot continue this grand tradition without your support. One hundred percent of your contributions go directly to the recipient's college tuition.

The scholarship selection is based on academic achievement, school activities, community involvement, leadership, and financial need. Recipients are chosen by the Scholarship Selection Committee. Any graduating high-school senior of Dearborn County who is planning to attend Indiana University–Bloomington is eligible for the award.

Since our scholarship fund is maintained by donations, we ask that you contribute generously to the fund. From the inception of this program, our chapter has increased its scholarship from \$100 to \$500. To continue an important tradition, I urge each of you to immediately submit your generous contribution and enhance the future of a 2008 high-school graduate. Also, please remember that your contributions are tax-deductible.

Please make your check payable to the Indiana University Foundation and note that the contribution is for the Dearborn County Scholarship Fund. Please mail your contribution to: C. Janelle Stenger, 6064 Shangri-la Drive, Aurora, IN 47001.

Very truly yours,

C. Janelle Stenger  
Dearborn County Scholarship Chairwoman  
Greater Cincinnati Chapter of the Indiana University Alumni Association
