Subject: IU Trustee candidate survey

Dear Rob and Steve:

Thank you for including me in your IU Trustee candidate questionnaire. My position on the question is as follows:

I would support adding "gender identity" to Indiana University's non-discrimination statement. The University should support a work and education environment in which all individuals- faculty, staff and students are treated with respect and not subjected to discrimination based on characteristics that have nothing to do with their ability to work and succeed on our campuses.

Do not hesitate to contact me if I can provide further information. Thank you for your time. It would be a great honor to serve as Trustee for this wonderful University.
