

Alumni Chapter Mentors

The IU Alumni Association Chapters Program is fortunate to have many outstanding alumni volunteer leaders. The following individuals are currently leading alumni chapters or have recently stepped down as volunteer leaders of their local IU alumni group.

All of them share a great passion for Indiana University, and have enjoyed great success leading their respective IU alumni chapters. Each person has agreed to serve as a mentor to new and veteran alumni chapter leaders. Please call upon them with questions related to your chapter volunteer efforts and activities. Their many years of experience will assist you greatly in planning your next chapter event!
