

The Underwriting Policy Statement

The Neal-Marshall Alumni Club Board is a policy making entity for the Neal-Marshall Alumni Club. The Neal-Marshall Alumni Club never endorses, finances, or lends its name to any outside enterprise or group, lest problems of money, property and prestige divert us from our purpose which is:

To provide a means for the association of Indiana University alumni and friends; to advance the interests and promote the welfare of Indiana University; to develop a black agenda for addressing the pressing needs of Black students, alumni, faculty and staff of Indiana University; to promote awareness of the black legacy, traditions, and history of Indiana University; to assist Indiana University in the recruitment and enhancement of minority faculty, students, and staff; to propose, develop, and implement Neal-Marshall Minority Scholarship Programs for minority students at the eight Indiana University campuses.

While individual members of Neal-Marshall are encouraged to support various efforts as a personal choice, the Neal-Marshall Alumni Club will act as an **information resource only** for mentoring, educational opportunities, possible scholarships and financial support through other sources and employment networking opportunities or alumni expertise, when known.
